Class Reunions
And
Business Afterhours

We offer some great deals designed specifically for class reunions and Business Afterhours. Please contact us to help coordinate and design your gathering of past classmates or coworkers. Our appetizer and open bar packages are becoming the talk of the town among planners and event coordinators.

Audio / visual equipment as well as live entertainment can all be arranged. We also offer the ability to use your own music and play it through the house system. Please let us know how we might assist you with pricing and amenities.

Sincerely,

Greg Upchurch
